DISINFECTANT

Made in the USA
Since 1990

Our renowned 3-Step approach to grooming produces remarkably healthy skin and coats without any buildup or oily residue. Professionals understand how Best Shot and its proven methods are a godsend for mats, tangles and shedding. Pet owners are simply amazed by the results and thrilled with how great their animals now look, feel and smell!

We are committed to producing the highest quality coat and skin care products for horses, dogs and cats. Passion for what we do runs deep throughout the company. We use Best Shot on all our beloved four-legged family members and ourselves. We're so proud to offer our products and expertise to you too!

Welcome to the Family!

RESULTS YOU CAN COUNT ON!

Our mission is to excite pet parents and animal service professionals with ongoing advancements in grooming technology

Where We Stand On Ingredients

We respect your personal ingredient preferences and right to choose safe trustworthy products. As a result, our ingredients are conveniently disclosed on our website at www.bestshotpet.com located within each item's description page.

All of our shampoo, conditioner, and sprays are safe for animals and humans. Each product is individually pH balanced for its specific task. We stand behind our ingredient selections, which are backed by credible science, research, and historic fact.

Support

We believe our relationship with you does not end with a sole purchase, but should blossom from your point of initial contact moving forward. The secret to your success and ours is the knowledge offered through our company's ongoing product development, customer service, and support.

Learn about safely storing & dispensing Best Shot products on our website under 'Resources' in the drop-down menu provided. If you have a concern or technical question, please reach out to us by phone or email. We've got you covered!

Guarantee

We're certain our products will exceed your expectations and back them with a 100% money-back guarantee as we have for over 35 years!
